The newspaperman noted that advertising was "the very life-blood of our economic system."

President Jim Baber conducted the business sessions at Co-ita's Restaurant, noting honors that have been won by five members of the service club.

WASHINGTON (UPI) — The National Labor Relations Board will be watching the elections it supervises closely in February in a search for the 25 millionth U.S. worker to cast a ballot for union representation.

"Confederate Veteran" December 1919 p. 468

THOMAS R. McCORMICK

At the age of 78 years Thomas R. McCormick died at his home in Meridian, Miss., on August 22, 1919.

He was one of the most prominent citizens of Meridian and East Mississippi and for years was one of the leading insurance men of the State.
As a Confederate veteran, a member of Walthall Camp, No. 25, U.C.V., he was a leader in movements looking to the interest of his comreades in the War between the States. For years he had been the active representative of the "Veteran" in that community, looking after its interests zealously.

Thomas McCormick enlisted as a Confederate soldier in August, 1861, and served with Company H, 27th Mississippi Regiment, of Walthall' Brigade. He shared the fortunes of this command on the march, in battle and in camp until he was captured in the battle at Lookout Mountain in November 1863.

He was taken thence to Rock Island Prison, from which he escaped on the night of October 1, 1864. Making his way south with much difficulty, he at last reached Corinth, Miss., in November and there rejoined the army and was then in Captain Gallagher's Company of Col. Weir's Regiment, the 5th Mississippi, to the end.

In a detailed account of his escape from prison Comrade McCormick tells of his experiences as an escaped prisoner and how he extricated himself from several tight places. When he reached Memphis, Tenn., he found that city full of Yankee soldiers, and the next day he "took in the city with a Yankee detective."

When he reached home in December, 1864, on a little visit, he found that his own father did not know him, he had changed so much in personal appearance.

Comrade McCormick is survived by his wife, four daughters, and two sons.

Everett. I think I am going to figure out how to send you a data disc. School is out today (I teach) and I'll try to get something in the mail next week. Also in an old Martin bible copy of which I have, a Susanna (looks like L.) Martin married Daniel McCormack Feb. 12, 1819 (9 could be an 8 or 7, it's unclear). Under births a David McCormack was born April 1, 1819. The marriage was in Alabama Territory, Montgomery, Alabama. Also states that Daniel McCormack was born June 8, 1796. Do you know anything about these people that might help me with my Martin line?

Dear Mrs. Strickland,

Thank you for your letter of Nov. 17, 1979, with your Loper and McCormick information. I appreciate your taking the time.

I've been studying Vol. I Perry Co. Tax Lists, and have two questions to ask.

I wonder why many are listed as "one poll." Did they own no land or slaves? I can account for the absence of two Lopers due to age - over 50 - but Isaac Loper in 1820 & 21 is "one poll" and in 1822, "240 acres."

My grandfather, Francis McCormick, b. S.C. 1801, appears only once, 1825, age 24, 240 "acres." Could they have been living elsewhere then?

2nd question: How do I use these rolls to find out where in a county their land was?

My people were in Jones & Jasper after 1830, so I don't need Vol. II, but I am interested in your forth coming cemetery book. Please let me know when it is available. Lop 30-36

I'm sure you know that many people from Colleton & Barnwell, S.C. & nearby counties went to Perry Co. Ms

In a book I have I find
1800 Winton Co S.C Tax List - (Became part of Barnwell that year, I think.)
Lewis Stinson 148 acres no negroes
and, 1800 Barnwell Co. Census
Charity Stinson - 27 under 10, 17, 10-16, 17. over 45
and name down not alphabetized.
Lewis Stinson 2 M, u. 10 1M, 10-16 1M 26-45.
3 F. u. 10 & 17. 16-26.

I hope this helps, if you don't have it.

Sincerely,
Hazel Coyne

Dear Mrs. Coyne:

Thank you for your order for our book. We all have a problem when researching in Jones, Perry, Wayne and Greene counties as all the early records burned. We have been looking for 24 yrs for my husband's great grandparents and still have not found them. His grandfather Henry Strickland was born in 1842 and lived in Jones and Perry Counties, but never with his parents. Always with Preston and Martha Stinson who were some kin, but we do not know what.

We are enclosing some Loper and McCormick information that we have and hope that it is of some help.

We are enclosing a brochure on our latest Perry County Book. Cemetery Records of Perry County will be published in January 1980. We hope to have them more complete than the ones published by others on Jones, Wayne, Clarke, & Jasper Counties. We will include a few Jones and Forest County cemeteries in our Perry County book also. We have had the help of some marvelous old timers in finding cemeteries long over grown in the woods. Greene and Jones County are next after that.

Hope some of this helps.

Sincerely,

Jean and Ben Strickland

Dear Ben + Jean,

Received your Washington Co. M.T. tax rolls, but found none of "my names." I wonder if you can help me? I've been researching an early Coosawhatchie Baptist Church, later Beech Branch, in upper Beaufort Co. S.C. In a list of members, published as 1759, I found Knights, Smarts and Jemima Johnston of interest to me. I noticed a John Strickland in the list. An authority on that church says the date is wrong. Is that one of yours? Do you have any idea when he lived there? I notice there were Stricklands' in my Colleton Cemetery Book. My McCormicks' + Fontaines' are first proved in Colleton Co. S.C. Any help will be appreciated.

Sincerely,

Hazel Coyne

Dear Hazel:

Thank you for your book order and letter. I am so sorry that you found none of you names in the Washington County, Book.

I do not know anything about Coosawhatchie Baptis Church in Beaufort County, S.C., but I am glad to know about John Strickland being there. I have been looking for years for a David Strickland in S.C. who had sons Solomon, Simeon and John who migrated to southeastern Mississippi in 1810 and 1811. These Stricklands had no passports issued by the governors of Georgia to travel through the Indian Nation which is very unusual for that time. I shall pursue this one as he could well be what I am looking for.

I went through my 10 years of Carolina Genealogist and found very little on Beaufort County, S.C. The records were destroyed by the Yankees during the Civil War. There were many Stricklands in Colleton County, S.C., but I can not find the connection, if any, yet.

There is a community called LOPER in Washington County, AL. We visited there a few weeks ago and found that John W. Strickland from Perry County, MS migrated there and several of his sons married there and are all buried at the Barlow Methodist Church about 3 miles from Loper. Also found that through these Stricklands we now have a Loper Connection as they married into the Loper family there. Apparently the Lopers in Washington County came from Southeastern Mississippi and owned a sawmill there. The first Loper marriage that I found was 8-28-1834 Absalom Loper and Mary Reynolds; 4-16-1839 John B. Loper and Elizabeth Grimes; Lewis W. Slotter and A. M. Loper 1-19-1847 by William J. Boykin. I did not find any McCormicks.

I have all of the marriages from 1818 to 1900 for Washington County, AL and will be glad to send you all the Lopers or any other names that you might want, if they will help. Just let me know.

I am sorry that we can not help more. I need help on my Stricklands in S. C. and after 25 yrs am no closer than I was when we first started. If you think of anything that we can help with, just let us know. I will be in the hospital for a couple of weeks for gall bladder surgery but expect to be back at my genealogy by Nov. 15.

Sincerely

left W & formed Methodist Protestant Church in Ala & Ms. 1828-29.

I also have a possible g.g. grandfather, John Fontaine who disappears from Warren Co. Ga. about 1813. Some Fontaines & Brutons went to Tuscaloosa area. Any pre-statehood info on that general area?

Dear Jean - Have you moved? I don't know what answer I expect to find in Ms. (they're all buried in S. C., I think), but I still keep looking.

Please send me your "Tax Rolls, 1810-1820, Wayne Co. Ms." Check is inclosed.

I noticed a Strickland in the Coosawhatchie Baptist Church, Beaufort Co. S. C. 1809. Is that

any of yours?

I saw your query in the 14 Oct 1982 Family Puzzler (page 11) as follows: Need help on William MacCormack of Beaufort Co SC whose will was recorded at Charleston S C in 1777. Was he related or the same man as William MaCormack who was executor for will of Thomas Smith of Berkeley Co SC in 1763? Was Samuel M6Cormick of 1790 census Berkeley Co SC related to William? Who were the descendants of John McCarmack, petit juror in Prince Frederick-Winyaw Parish 1737, or Thomas McCormack & Nathaniel McCormac of that parish 1754-6?
Also there was an Editors Note as follows: S C Hist Socy, Fireproof Bldg, Charleston SC reports they have "SC General File, Families - McCormick"; ~~xx~~ also ~~xxxx~~ there is a 162 pg bk by Colin D McCormick, "Our Clan of McCormicks with Suppl" published 1972 at Laurin NC, on file at South Caroliniana Library, U of SC, Columbia SC 29208.

I have restated the above as I am making a copy of your letter to forward to an interested person in another state. Please forgive the repetition.

No, I'm afraid that I don't have the information you seek. And I'm not really in a direct line of McCormacks--however, I am interested because I have 3 different places where a McCormack has married into a line ~~xx~~ which I'm searching, so that I have just naturally picked up some few things here & there, most of which came originally from the research of Mr D F McCormack of Ridgeland Miss.

Though the "farthest back" is hazy & Mr McCormack has not been able to tie it down, our lines seems to a Captain John McCormack, who had 4 sons --Thomas, John, Joseph & Benjamin (he b ca 1745, d. 1838 Ala). All 4 sons served under Col Elijah Clarke in the Revolution; moved into Wilkes Co Ga in time to be drafted, fought thru the war. Later moved to Ala. There are pension applications for Benjamin, Thomas & Joseph, but nothing on John to date. Our line, as far as we can tell, comes from Benjamin, who had 5 children that we have heard of: John Clark McCormack (1794 -) md (3) Amanda (Belcher) Pearce, (2) Martha Veazey, & (1) Sarah Duke. Thomas D McCormack md Rachel Clark; Polly McCormack md Benjamin Ward; Joseph McCormack?; Nancy McCormack md Samuel Suttle.

John Clark McCormack who md 1st Sarah Duke, had a raft of children--one of whom was John Daniel McCormack, who married Margaret Ann (Bunch) and Elizabeth (Hearn). John Daniel & Margaret Ann (Bunch) McCormack had only one dau, Sarah Louise Jefferson (McCormack) b 1847 d 1916, who married Henry Haywood Fowler. (This ~~is~~ is one of my "married into" connections of which I told you I had 3). 1.

But John Clark McCormack & Sarah (Duke) also had other children, two of whom, (Lucinda McCormack & Amanda McCormack) married, in turn to one man, Needham Waterer. (These are the two additional "married into" connection, making a total of 3). 2 3

It seems evident that there was inter-marriage in plenty, so that there ~~are~~ may be more of what I call "criss-crossing", so that I try to learn all that I can about the McCormack family in order to learn more about my Fowler & Waterer families.

While none of this seems to tie to your McCormacks, still there is that possibility. Mr McCormack of Ridgeland Miss would be more likely to know if there might be some other connection. Would be happy to exchange anything I have (which is very little), or to hear from you should you happen to see something that might apply to our crew.

Dear Patricia and Jean:

I have just recently discovered my connection to John McCormick and Martha Fontaine. I had found John's wife listed as Martha, Nanc, and even Sarah, but had found no date for their marriage as yet. So you can understand my surprise when I saw in your book that John had married twice and each of his wives maiden names were Fontaine. The "f k" by their names were defined in your book as "family knowledge received from individual researchers". Therefore, I must assume that someone you have corresponded with has some knowledge of this family. I looked through the back of your book where you have the names and address of those who helped contribute to the book, but I saw no one who had the surname of McCormick or Fontaine listed under thier name. Could you please give me the name and address of the person or persons who gave you the McCormick and Fontaine information? Also if possible, could I have a copy of the information that they sent you. Anything that you could send me would be greatly appreciated.

Sincerely yours,
Terry Bearden

RE: McLeods Genealogy

Dear Mrs. Strickland:

Thank you for the information you sent me on my McLeod line.

In my research, I have some Major differences in Birthdates, that may warrant further research. As I have found incorrect dates on cemetery records, death certificates, & family records, it is difficult to know which is correct. One example in the McLeod line is on Daniel Jackson McLeod & Malcolm Lafayette McLeod.

Their cemetery records show only a 2 day difference in Date of Birth. Your records show different years & dates, which I'm sure came from their Death Certificates. I have a copy of their church records when they were ordained Elders, & it shows that they were twins, with the birthdate of May 11, 1849. Which one do you think is correct, as I'm at a loss on this?

Some other records I have are Bond & Marriage Lisc. of:

1- William Judson Owens
2- Sarah Owens
3- Malcolm McLeod
4- Calvin McLeod - 1st Marriage
5- Norman Dickens McLeod

I have also church records + death certificates of Norman Pickens McLeod + wife Pauline Susan Williams.

I started my research on Norman McLeod in Alabama + have found many Norman McLeods, all being of the correct age. I have info on a Norman McLeod, who was also a justice of Peace, but in a different county other than Covington or Monroe. I have a will of a Charles McLean of Macon Co., Ala, that was signed + Probated in Pike Co., Ala by a Norman McLeod. I have also the will of this same Norman McLeod, who died in 1870. The wife's name + some of the children do not agree with our line. His wife also died a year earlier than our Artilisa McLeod. But I think this is the rewards of genealogy, by putting the pieces of the puzzle together.

Thank you for also sending the names of Mrs. Baugh + Mr. McCormack.

My great-aunt, Mrs. G L (Agnes) Neidelberg had sent me to Mrs. Baugh. I plan to contact Mr. McCormack + see if we can be of help to each other.

3)

Thank you for your offer of copies of clippings on the "Grierson's". I have some clippings, but would Appreciate any help.

I have researched the Grierson family for about 10 years. This line is my maternal line, and I was born in Pascagoula-Moss Pt, I call Mississippi home. My fondest childhood memories are those of growing up in Moss Point & my Grierson family.

I have a completed manuscript on the Grierson Family for my years of labor. In this I have documentation on my research, Civil War Records & letters, family letters, death & marriage records, census records, & pictures.

I work fulltime in a family business, but I plan to make the time this summer to visit your library. Most of my visits to Pascagoula-Moss Point lately, sadly to say, have been for funerals of loved ones. Some of my friends from Florida have had exceptional things to say about your library & genealogy department. I am on the Board of the Bay County Gen. Society & many of our members doing Ms. research have expressed an interest in your library.

Thank you again for your help.

and any of my records that you would like to have a copy of, just let me know, & I will forward them to you.

Dear Mr. McCormack:

I apologize for the delay in sending you this information. The Library has been extremely busy this month.

I did not find Thomas D. McCormack or Benjamin McCormack in Jasper County or elsewhere in Mississippi in 1870. I am enclosing the 1860 census showing both families. I also checked the Alabama Census Index for 1870 and did not find either family living in Alabama.

the above makes me wonder if Banjamin went on further west by 1870. I feel sure that Thomas D. is dead by that time.

I am on the track of some more Denny information from the National Archives and hope that it will confirm the Denny marriage that you have. It should also take you back several more generations, if I am able to obtsin it.

Enclosed are a couple of obituaries that Betty found that pertain to your families.

Sincerely yours,

Jean Strickland
